Each district governor may nominate only one eligible club from his or her district. Nominations must be received at RI World Headquarters by the close of business on 15 March. Nominations received after the deadline will be ineligible.

Criteria

The RI Significant Achievement Award recognizes club projects that have done the following:

- Addressed a significant problem or need in the local community (international service projects, no matter how worthy, are not eligible for this award)
- Involved most or all of the club's members in personal rather than monetary service
- Been commensurate with the size of the club and its available resources
- Enhanced the image of Rotary in the community
- Been able to be emulated by other Rotary clubs
- Been active during the Rotary year for which the award is being given (though it need not have been initiated, and may have been completed, in the current Rotary year)

An officer appointed by the RI president will determine whether nominations meet these criteria.

Eligibility

Only projects carried out by a single club are eligible for this award, and only one club per district may be nominated.
